SUBJECT/OBJECT: 2009 National Membership Registration Program – Fee Schedules

Dear Member Unions,

Rugby Canada and our Provincial Partners have now confirmed the 2009 National Insurance program. Attached to this document is a copy of the FEE SCHEDULE for 2009 Registration which includes both membership and insurance. The final amount is also inclusive of the insurance settlement from 2007 (Corner).

I have also included with this e-mail a copy of the BFL renewal memo that outlines the changes to the 2009 program over the 2008 National Insurance Program. Please read this memo in detail. This memo should be circulated to all members with any communications.

On behalf of the Board of Directors of Rugby Canada, I would ask that you now communicate this fee schedule to your members as appropriate and would like to thank your office for your patience and support throughout the insurance review process.

Sincerely,
RUGBY CANADA

Graham Brown BHK MHK
